## PERSONAL STATEMENT

As a self-taught person with a passion for self-learning, I am always looking for ways to improve my skills and knowledge. My participation in and victories at national championships have not only demonstrated my abilities, but also honed my problem-solving skills and critical thinking.

I am disciplined and focused, with a strong work ethic that drives me to succeed in everything I do. I possess a curious nature, always seeking out new challenges and opportunities to learn and grow.

My ability to think outside the box and find creative solutions to complex problems sets me apart as a valuable asset to any team. I am excited to bring my skills, passion, and experience to a new challenge.
